FTP Activity in 2022

The Fredericksburg Tea Party

is a policy driven organization. Texas is our focus, either at the local or state level. Our district tends to vote Republican but leans toward establishment politics. FTP works tirelessly to educate and equip our followers with the information, training, and opportunity to engage in self-governance.

Fredericksburg and Gillespie County is represented by Ellen Troxclair in the Texas House, Pete Flores in the Texas Senate and Chip Roy serves as our Congressman in Washington.

FTP is proud of our members! Recently, **Tara Petsch** launched a new Gillespie County **Mom's For Liberty** Chapter, **Gun Owner's of America** named **Michael Belsick**, Hill Country Coordinator, **Terri Hall**, founder of **TURF**, is our resident transportation expert, and **Matt Long** hosts **The Matt Long Show** daily on the **Hill Country Patriot Radio** broadcast from Kerrville, Texas.

We strive to overcome the apathy toward government that permeates our citizenry today. We believe the people are responsible for securing the government they want while holding that government responsible for fulfilling conservative, Judeo-Christian values. When people are educated, they are empowered!

Our activities are centered around our 5 basic principles:

- **Limited Government**
- **Fiscal Responsibility**
- **Rule of Law**
- **National Sovereignty**
- **Personal Responsibility**

FTP meets on the second Thursday of every month. we produce an energetic monthly meeting to raise awareness of the important issues as well as encourage participation through our **Focus 4 Action** policy groups. Our email distribution list, as well as our text messaging list, continues to grow so that we can reach our community with information in a timely manner. Our leadership is active with **Grassroots America**, **We the People** and **Heritage Action**.

FTP members continue to serve as precinct chairs, preside over the Gillespie County Republican Club and most recently, campaigned for a school board position. Our members have been quick to give of their time and talents to support conservative policy and those who will serve in a public office. We look forward to the 2024 RPT State Convention and the presidential election.

FTP believes in the power of networking! **We the People, Liberty in Action** will celebrate its third year in Kerrville and our **Hill Country Coalition** welcomes **Llano Tea Party**, presided over by FTP member, Lisa Bellamy.
